They are in compliance of the approved Covenants, Conditions and Restrictions document (CC&R) which defines the Palmetto Greens Property Owners' Association, Inc. and the Board of Directors Duties and Responsibilities. Any rule or regulation in this document may be appealed, on an individual basis, to the Board of Directors.

3. **Easement.** Easement for installation and maintenance of utilities are reserved as shown on the recorded plats covering The Properties and as provided herein. Within these easements, no structure, planting or other material may be placed or permitted to remain that will interfere with or prevent the maintenance of utilities. The area of each Lot covered by an easement and all improvements in the area shall be maintained continuously by the Owner of the Lot.
4. **Nuisances; Solicitations.** No Owner shall make or permit to be made any disturbing noises in the Unit or on the Lot by himself or his family, servants, employees, agents, visitors or licensees, nor permit any conduct by such persons that will interfere with the rights, comforts or conveniences of other Owners. No solicitation will be allowed at any time within the community.

7. **Recreational Vehicles, Commercial Trucks, Trailers, Boats.** *Definition:* A recreational vehicle (RV) is any roadworthy vehicle, whether driven or towed, that has the usual accommodations of a home including a kitchen, bathroom, bedroom and living room. In North America, such vehicles have traditionally been classified as class A, B or C, if driven; as a travel trailer, fifth wheel trailer, pop-up trailer and slide-in camper, if towed. Lot owners in Palmetto Greens may spend weeks or months in the RV at different times, thereby requiring a reasonable time to load and unload the vehicle. No commercial vehicles, golf carts or trailers of any other description, boats, boat trailers, horse trailers, unmuffled motorcycles or vans, shall be permitted to be parked any place on The Properties, or in dedicated easement areas. Storage of the above name vehicles is permitted in homeowner's enclosed garage or approved shed.

8. **Pets and Service Animals.** The Association adopts the policy of adhering to current Horry County and South Carolina Statutes regarding pets, in order to avoid the necessity for creating and administering a number of potentially controversial rules on this subject. Service animals will be handled on a case-by-case basis by the Board of Directors to ensure compliance with the American Disabilities ACT (ADA). Animals that are "individually trained to meet the needs of one person's disability" are considered to be service animals. Pets are NEVER allowed on the golf course at any time. The ability to keep pets is a privilege, not a right, and the Board of Directors is empowered to fine an owner and/or order and enforce the removal of any pet that becomes a source of unreasonable annoyance to other residents, or a danger to the health, safety, and welfare of other residents. NO reptiles, monkeys, rodents, amphibians, poultry, swine, rabbits, ferrets, or livestock may be kept anywhere on the properties. No commercial breeding or boarding of animals of any type is allowed.

9. **Household Garbage/Trash, Recycling and Horticultural Disposal.** All containers for the storage and disposal of such material shall be kept in a clean and sanitary condition. All containers and materials must be placed out for collection no sooner than 5PM prior to scheduled collection and must be removed by the end of the day of that collection. All containers are to be stored either in the garage or in the back of the dwelling. Side yard storage is permitted if containers are shielded from street view.
10. **Architectural Review Committee/Grounds Committee.** The primary function of the Architectural Review Committee is to review proposed modifications to homeowners' properties and report their recommendations to the Board of Directors. The Grounds Committee will monitor properties for modifications or additions to the property that were not approved and for general maintenance issues of homeowners' properties and all common areas.
